

Chiltern's Summer Newsletter!

Hey!

Hope you have enjoyed the break from hockey...where have all the Saturday's gone?

Unfortunately we have some sad news to pass on to you concerning Phil Davidson. She passed away suddenly after a short illness. Many of you will have played alongside Phil and have very fond memories. She was very supportive and always came to all the socials that she could. She will be remembered for her beaming smile, her old stick that nobody could get past (even befuddled 16-year-olds!!) and for being a Chiltern player through and through.

There will be a memorial service at Eaton Bray on Monday 2nd August at 2.30 which Ilona and Hilary will be attending. Please let them know if anybody else would care to come. Also if anybody would like to pass on their testaments/memories you can do so c/o Hilary and they will be passed on from the club. There has been a request for no flowers, but a donation will be paid from the club to cancer research and anybody wishing to make a personal donation, please contact Hilary on 07745 889978.

Please read on for full information on new season and summer goings on....hope to see you all soon!!!
