

On Monday 1<sup>st</sup> August a memorial for Phyl Davidson was held at Eaton Bray Chapel. It was lovely to see so many of Phyl's friends and colleagues paying their respects. It felt like a proper send off for Phyl and I was fortunate to be able to share in those memories. Vauxhall Chiltern was well represented by players from a few age groups - players in their 80's to their 20's! This just shows the range of people that Phyl touched.

***Phyl, aged 74, passed away following a short illness. She will be remembered fondly for her humour, determination, self-reliance and for her good hockey playing skills – a defender not to be beaten!***

***Phyl not only played hockey, she was a keen rambler, a member of the heraldry group and the Markyate Evensong Choir and an active member of the Eaton Bray Methodist Church. Overall, a well rounded personality you could say!***

***Phil Davidson - rest in peace.***

***Hilary Ward***

***Co President***
